REQUEST FOR CERTIFICATION OF CORRECTION
UNDER 37 CFR 1.322

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

It is requested that the attached Certificate of Correction be issued under 37 CFR 1.322 for the above-identified patent. The mistakes are apparently due to Patent Office printing errors.

- (1) Column 9, line 63 of the issued patent, delete "hereby" and insert therefor --thereby--. The correct form appears in the specification at page 16, line 28.
- (2) Column 12, line 42 of the issued patent, delete "east" and insert therefore --least--. The correct form appears in the specification at page 21, line 17.
- (3) Column 31, line 38 of the issued patent, delete "hanging" and insert therefore --changing--. The correct form appears in the specification at page 55, line 8.
- (4) Column 36, line 8 of the issued patent, delete "yams" and insert therefore --yarns--. The correct form appears in the specification at page 63, line 8.
- (5) Column 36, line 28 of the issued patent, delete "yams" and insert therefore --yarns--. The correct form appears in the specification at page 63, line 23.
- (6) Column 43, line 17 of the issued patent, delete "26-75 41" and insert therefore --26-41--. The correct form appears in the specification at page 75, line 28.

Correction of these mistakes is believed necessary to avoid ambiguity with respect to the patentees' disclosure and claims.

Respectfully submitted,

David M. Weirich
